New Yawk is
Combusticatin`
with jazz-snazz tonight
Bo-Diddly, Mo-Squiggly
put on their finest threads a-light
make sho`yo`guns is
loaded fo`bear
Iffen ya meander down
ta Sintral Pak
the Pak ta end all paks
Sum crewd, lewd dude
Signifies
that the pies in Yo`eyes are lies
And sum root-a-toot coot
might yearn ta smear
your leer
Upon raw, cold pavement
ya hear?
Foithermore
Has ya ever heard
the sound of
a beer bottle broken at midnite?
And the hurt of someone
Crying goodbye
The law of the gun
knows no pedigree
And class, ain`t no pass
when sudden
Anarchy comes knockin` on the door of
Seben leben
full of callous Miss Demeaner
the judge sees my easy breeze
style on the roster roosta
fo the 999th time
Y`all
So now I resign my fine
articulatin`
Chill, mon frere`
look fo me on the 6 a clack
Nooz.
Bye.
